

WINTER/SPRING 2020

Cookie Decorating Class

Grades 2-5

Join us this February and April as we learn some basic cookie decorating techniques. Using buttercream frosting you'll learn about flat icing and piping delicious seasonal cookies. No experience needed. Participants will be able to bring some of their creations home to share! This is a spinoff of the successful no bake cooking class that was offered during the summer with instructor Traci Verdery.

MIN/MAX: 6/12

Location: Community Activity Center
